Description	<p>The HP Evolution Plus Case is stylish, durable and offers a place for everything. It includes a functional workstation, separate file section, PDA and drive compartment, CD/DVD sleeves, and a business card holder.</p>							<p>Perfect for the active traveller. This case incorporates the patented SafePORT® air cushion system. A security strap for your notebook, padded ultralite portable sleeve within the notebook section. External mobile phone and water bottle holders as well as many other sections for all your accessories.</p>							<p>A case that is highly organised for the travelling executive. Features that make this case perfect for the traveller are: the hidden locking trolley handle, the "in-line-skate" wheels and a retractable Airline Ticket / Passport Holder keeping these essential items accessible at all times without having to open your case. The HP Evolution Roller is stylish and made of a high quality nylon/twill material combination.</p>
