Introduction

Thank you for your purchase of the Targus HD3 Chill Mat. The HD3 Chill Mat is specially designed for high performance laptops. It features three high efficiency USB powered fans positioned to provide optimal cooling to even the largest, most powerful laptop.

Features

- 3 ultra quiet hydro dynamic bearing USB powered fans
- Anodized aluminum grill to help with heat dissipation
- Adjustable fan speed dial for total cooling control
- Airflow straighteners to reduce turbulent airflow and increase cooling efficiency
- LED power indicator

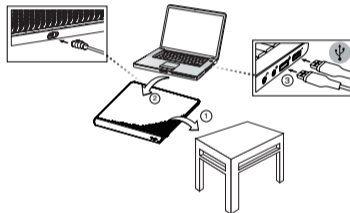

System Requirements

- USB 1.1/2.0 compliant port

To Use the Chill Mat

1. Place the HD3 Chill Mat on a work surface, such as a table or desktop, or your lap.
2. Position your computer on top of the Chill Mat.
3. Connect the USB cable to the Chill Mat.
4. Connect the other end of the USB cable into an available USB port on your computer. For additional cooling power, plug in both USB cables into your laptop.

Laptop
(not included)

WARNING: KEEP ALL ITEMS, SUCH AS LOOSE CLOTHING AND JEWELRY, AND LONG HAIR AWAY FROM THE FANS TO AVOID POSSIBLE PERSONAL INJURY OR DAMAGE TO THE CHILL MAT OR YOUR LAPTOP.

Product Registration

Targus recommends that you register your Targus accessory shortly after purchasing it. Go to:

<http://www.targus.com/registration.asp>

You will need to provide your full name, email address, country of residence and product information.

Warranty

Targus warrants this product to be free from defects in materials and workmanship for one year. If your Targus accessory is found to be defective within that time, we will promptly repair or replace it. This warranty does not cover accidental damage, wear and tear, or consequential or incidental loss. Under no conditions is Targus liable for loss of, or damage to devices; nor loss of, or damage to, programs, records, or data; nor any consequential or incidental damages, even if Targus has been informed of their possibility. This warranty does not affect your statutory rights.
