QUICK START GUIDE

Workstation Setup

1. Connect all peripheral devices to the docking station.

2. Connect the Targus Universal Docking Station to your host device.

3. If your host device does not connect via USB-C, use the included USB-C to USB-A adapter as shown below.

Power Setup

1. Locate the correct power tip (test fit in laptop if needed)
2. Connect to the power cord
3. Connect to your laptop and docking station

OS-X Setup

Upon installation of the DisplayLink software for OS-X available at www.targus.com, Macbook users can use the System Preferences for Displays to adjust the external monitors. OS-X allows configuration of all additional USB displays, including:
• Support for additional USB Displays in OS-X 10.9 or later
• Resolution up to 4096 x 2160 for Displayport or HDMI
• Display orientation and location modification
• Layout of displays
DisplayLink software also provides drivers for Sound and Ethernet built-in.

Android Setup

Install the DisplayLink Desktop application for Android 5.0 and later from the Google Play Store. Enable USB Debugging/Host mode on your Android device.

System Requirements

Hardware
• Thunderbolt 3 or USB-C port
• Power Delivery charging support requires host computer support Power Delivery 2.0 charging (up to 100W max)
• Microsoft Windows® 7, Windows® 8, Windows® 8.1, or Windows® 10 (32/64-bit)
• Mac OS® X v10.8 or later
• Android 5.0 or later
• Chromebooks
• Ubuntu 14.04.x LTS and 16.04 LTS on x86 platform

Windows Setup

To ensure the best Windows performance, please be sure to update your host PC Display Adaptor and USB 3.0 Drivers. These updates are often available from your IT department or from the PC manufacturer if you have Administrator rights to download and install drivers for your PC.

Welcome to your Targus Universal Docking Station DisplayLink Manager. The DisplayLink Manager software, if not already installed, can be downloaded from a Windows Update server or from www.targus.com. It is represented by the icon in the Windows Task Tray and allows you to easily connect additional monitors to your laptop or desktop via the Targus Docking Station. Using the Windows Control Panel Display Screen Resolution window, the connected monitors can be configured to either mirror your main screen, or extend the Windows Task Tray and allows you to easily connect additional displays, including:

Regulatory Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operations.

FCC Statement (Tested to Comply)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
This device may not cause harmful interference, and
This device must accept any interference received, including interference that may cause undesired operations.

Declaration of Conformity

Hereby, Targus declares that this device is in compliance with the essential requirements and other relevant provisions of Directive: 2014/30/EU and 2014/35/EU.

Three Year Warranty

We pride ourselves on the quality of our products. For complete warranty details and a list of our worldwide offices, please visit www.targus.com. Targus product warranty does not cover any device or product that is not manufactured by Targus (including, but not limited to, laptops, smartphones, devices, or any other product that may be used in connection with the Targus product). Australian customers: For complete warranty details see warranty statement enclosed.

Thank you for your purchase. Targus warrants to the original purchaser that its products are free from defects in materials and workmanship, during the specified warranty period, and lasts as long as the original purchaser owns the product. The warranty period is stated on the packaging or in the documentation provided with this Targus product. Targus’ Limited Product Warranty excludes damage caused by accident, neglect, abuse, misuse, improper care, normal wear and tear, ownership transfer, or alteration. The limited warranty also excludes any product that is not manufactured by Targus (including, without limitation, laptops, smartphones, devices, tablets, or any other non-Targus item) that is used in connection with the Targus product.

In the event that the Targus product has a defect in materials or workmanship, Targus shall, at its option, repair or replace the product, or refund to the original purchaser the purchase price paid. A warranty claim must be submitted to Targus within the applicable warranty period specified on the packaging or in the documentation provided with the product. Proof of purchase is required to obtain service under the warranty. To obtain warranty service, please contact Targus Australia Pty. Ltd. (see details below), or return the product to the place of purchase. The original purchaser must bear the cost of the delivery to Targus.
